

ROTTERDAM CONVENTION

COP8

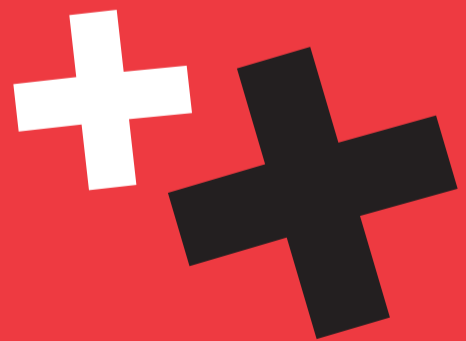

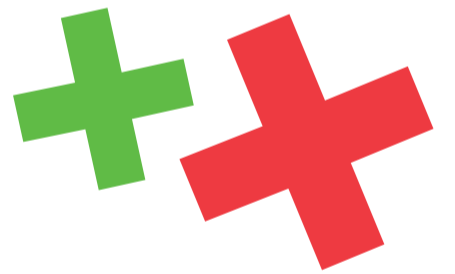

STOP THE VETO!
Put public interest over self-interest

VOTE

to support Amendment to Article 22. Make the Rotterdam Convention voting procedure consistent with other Conventions. Support consensus where possible for listing of hazardous chemicals and a 75% vote for where consensus is not possible.

#StandWithRajendra

and the millions of workers and other victims of asbestos related diseases globally - **Vote to support listing of Chrysotile onto Annex III**
